

| Time | Item |
|-------------|--|
| 6:00 p.m. | Welcome |
| 6:10 p.m. | Introduction, Alderman Colón |
| 6:15 p.m. | Corridor Development Initiative Background Marisa Novara, Metropolitan Planning Council, will introduce the Corridor Development Initiative process and explain the potential opportunity to shape the development of the bus terminal, plaza and parking lot around the Logan Square Blue Line entrance. |
| 6:25 p.m. | Development Scenarios Breann Gala and Yonah Freemark, Metropolitan Planning Council, will review the block exercise model, design and financing assumptions, and a range of scenarios proposed at meeting #2. They will provide feedback for strengthening each scenario, followed by keypad polling for your input. |
| 7:10 p.m. | Developer Panel Mikki Anderson from The Michaels Organization, Sarah Wick from Related Midwest, and Todd Cabanban from CR&M are experts in the retail, housing, and commercial development. They will be providing feedback on the proposed development plans. |
| 7:25 p.m. | Questions and Answers |
| 7:45 p.m. | Final Keypad Polling |
| 7:50 p.m. | Wrap Up Please stay tuned for the report at www.metroplanning.org/logansquare , where we will post the final report and updates. Additionally, the website has an online survey to obtain additional stakeholder input. Please circulate the survey to your neighborhood groups, friends, and others who were unable to attend today. |

THANK YOU FOR YOUR PARTICIPATION IN THIS PROCESS!
